Benefits of ELC Affiliate Program

The Educo Learning Centre Affiliate Program is a program that allows educators and other individuals to earn commissions by promoting Educo Learning Centre's courses and services to their audience or network.

1 Educator

By becoming an Educator, you will have access to high-quality course materials such as Tutorials, Lecture videos, and multimedia Activities . You can also Download Printable Practice Sheet(s).

2 Affiliate

By becoming an ELC affiator, you can help students and parents access high-quality learning resources and also benefit from the revenue sharing model.

Become a Educator

The screenshot shows the 'Affiliate Dashboard' for EDUCO Learning Center. The top navigation bar includes links for Home, Courses, Parent, Student, Educator, Resources, and About Us. The main content area is titled 'Register' and contains a registration form with the following fields:

- First name *
- Last name *
- Email address *
- Select Courses * (Dropdown menu showing '1st Grade')
- Institution/ School Name *

Below the form, there is a privacy notice: "Your personal data will be used to support your experience throughout this website, to manage access to your account, and for other purposes described in our privacy policy." A checkbox is present with the text: "I have read and agree to the terms and conditions *". A 'Register' button is located at the bottom of the form.

1 Create an Educator account:

Open a web browser and go to the ELC website (www.educolearnincenter.com) and click on 'Educator' from the main menu.

2 Enter Details

On the Educator page click on 'Sign up now' button. and fill out the form with your name and email address. Select the Course and Institution details and click on 'Register'.

3 Start using ELC:

Once you have completed the registration process, you will receive a confirmation email to the email address you provided during registration. This email will confirm that your account has been created. Log in to your account and explore the various features available on the platform for the selected grade.

Educator Features

- 3 Lecture Videos:** As an educator, you will have access to ELC high quality lecture videos. These videos are designed to help you enhance your teaching skills and provide your students with engaging and relevant content. You can use these videos as supplementary materials for your lectures, or as references for your students to review and deepen their understanding of the topics.

The screenshot shows a list of topics on the left and a navigation menu on the right. The navigation menu has four tabs: Videos, Tutorials, Examples, and Practice sheets. The 'Videos' tab is highlighted with a red box and a mouse cursor. Below the navigation menu, there are three rows of topics, each with buttons for Tutorials, Examples, and Practice.

Topic	Videos	Tutorials	Examples	Practice sheets
Chapter Practice	NA	NA	NA	NA
Chapter Practice	NA	NA	NA	NA
Chapter Practice	NA	NA	NA	NA

Absolute Deviation 6.SP.B.5	NA	NA	NA	NA
and Box-Whisker Plot 6.SP.B.5	NA	NA	NA	NA

The screenshot shows a video player interface. At the top, there is a header with the EDUCO Learning Center logo, the name 'Dr. Sharma - System of Linear Equations', and a timer showing 00:00:41. The video content shows a man speaking in front of a screen. The screen displays the system of linear equations $x + 3y = 6$ and $x + y = 2$. A graph shows the lines intersecting at point $A(0, 2)$ and $X(2, 0)$. The x-axis is labeled x and the y-axis is labeled y . The intersection point $B(6, 0)$ is also marked. The word 'Plot' is written at the bottom right of the graph. The video player has a progress bar showing 0:49 / 5:44 and control icons for play, volume, and full screen.
