Select Your Course

Grade	Skills	Tutorials	Free Response Questions	Online Practice Assessments	Graded Assessments
Grade 1	172	48	3010	78	78
Grade 2	202	71	4730	95	95
Grade 3	272	101	8160	155	155
Grade 4	303	141	7900	148	148

1 Go to the ELC website:

Open a web browser and go to www.educolearningcenter.com and Click on the **Sign Up** button from the home page.

2 Choose your course and grade level:

To enroll your child in ELC, please choose the subject and grade level that match their academic needs from the list of available options.

3 Course Details

The Course Details page in ELC provides an overview of the specific skills and topics covered in a particular subject and grade level. Here's what you can expect to find on the Course Details page:

- **"I Can"** Statements for the selected grade
- Student and Parent features for Monitoring and Support
- Sample **E-Workbook** & Common Core Standards
- **Download Curriculum** for the Selected Grade

Grade 2 Mathematics Course Details

Building unique learning experiences with the courses mapped to the national standards.

Course Metrics	Count

4 Select a Course and Continue

Become a Member

The screenshot displays a registration interface with three main steps: Course Finalization, Billing, and Order Info. The Billing step is currently active, indicated by a blue circle and a checkmark. Below the steps, there are two form sections. The first section, titled 'Enter Your Personal Information', contains three input fields for Name (Jhon Smith), Email (smith@gmail.com), and a Submit button. The second section, titled 'Enter Your Child Name', contains two input fields for First Name (Robert) and Last Name (Stew). Above the child name fields, there is a tab labeled 'Child 1' and a button labeled 'Add New Child' with a plus sign and a 'GET 20% OFF' badge.

1

Create an account:

If you don't already have an ELC account, you'll need to create one by Entering your name and email address and click then on submit.

2

Already have an Account:

If you already have an ELC account and to access your ELC account, please enter your password when prompted by the system. If the password is correct, you will be logged in and you can manage your courses from your dashboard. You can add new courses or renew existing ones as needed.

3

Add your child's information:

To register your child, create an account and enter their First and Last name. You can add more children by clicking the "Add Child" button.

4

Child's LoginID:

The child loginid is created by the system using the user first name and last name that the parent enters during registration. The parent will receive an email with the loginid after the registration is complete.

Course Finalization and Subscription Options

The screenshot shows a multi-step selection process for a course. Step 1, 'Select Subject and Grade', is completed, showing 'Math' selected and grade options from 1st to 6th. Step 2, 'Select Course Type', is also completed, showing three options: 'Online', 'Online + e-Workbook' (recommended with a 20% discount), and 'e-Workbook'. Step 3, 'Select Plan', is completed, showing two options: 'Monthly' (20% off, \$7.99 per month) and 'Yearly' (40% off, \$71.93 per month, recommended). The interface includes 'Cancel' and 'Continue' buttons at the bottom.

1 Select Child's grade:

Choose the subject and grade level that match their academic needs from the list of available options.

2 Select a Course Type:

ELC provides various options for learners who want to improve their Math skills. You can choose from three course types:

- Online,
- Online + e-Workbook,
- e-Workbook only

Each course type has its own advantages and features, depending on your child learning goals and preferences.

3 Select Plan:

ELC has flexible subscription plans that allow you to pay monthly or yearly, depending on your budget and learning goals.

4 Click on Continue

Billing and Payment

The image shows two screenshots of a checkout process. The top screenshot is the 'Billing details' step, and the bottom screenshot is the 'Payment' step. Both screenshots feature a progress bar at the top with four steps: 1. Course Selection, 2. Billing, 3. Order Info, and 4. Payment. In the 'Billing details' step, the 'Billing' step is highlighted. In the 'Payment' step, the 'Payment' step is highlighted.

Your personal data will be used to process your order, support your experience throughout this website, and for other purposes described in our privacy policy.

Confirm Order & Pay

1 Billing

To complete your purchase, you need to enter the billing information like your name, address, phone number city and pincode. Please make sure the information is accurate and matches your bank records. You can review and edit your information before confirming the order.

2 Order information:

Before you proceed to checkout, please review the order information carefully and make sure everything is correct. You can also apply a coupon code if you have one to get a discount on your purchase. To do so, enter the code in the box below and click on "Apply".

3 Payment

To complete your purchase, please enter your payment information in the secure form. To enable recurring payment for your monthly plan, please click on the 'Save to account' check box. This will allow us to automatically charge your card or bank account every month for the duration of your subscription

4 Confirm order and Pay

Order Confirmation

1 Order Complete

Once you complete your payment, you will see a confirmation page. We will also send you a receipt and login information via email.

2 Login to Portal

Your ELC Login information email will contain login information about your account and your child's account. These credentials will allow you to access the ELC platform and its features. Please keep them safe and do not share them with anyone.
